Spring 2025 Yard Waste Curbside Pickup

City staff will pick up leaves and brush curbside on three dates this spring.

MENOMONIE, WI (April 2025)—The City of Menomonie will conduct curbside yard waste and brush pickup on Mondays, **April 14, April 21, and April 28, 2025**. Yard waste and brush must be placed at the curb no sooner than one day before and no later than 7 a.m. on pickup day.

What Residents Need to Know:

- Leaves, grass clippings, and garden debris must be placed in paper compostable bags. (Each bag must weigh 50 lbs. or less.)
- The brush must be bundled and no longer than 4 feet long.
- No pickups will be made in alleys.
- If your regular garbage day falls on a yard waste pickup day, please keep garbage separate from your yard waste.

For those who prefer to drop off their yard waste, year-round, the City Solid Waste Site at 1601 Gilbert Creek Road is open Tuesdays and Thursdays from 7:00 AM to 6:00 PM and Saturdays from 7:00 AM to noon.

Raking and properly disposing of yard waste helps protect water quality. Leaves are a significant source of phosphorus, which can lead to algae blooms in lakes and rivers. Keeping leaves off the streets and out of storm drains supports a healthier environment for everyone.

Leaves collected from curbside pickup and landfill drop-off are composted. Residents are welcome to pick up finished compost at the Solid Waste Site during open hours, while supplies last. Compost is available on a first-come, first-served basis, and residents must bring their own containers and load them themselves.

For questions, please contact Dave Frank, Community Services Superintendent, at 715-232-2221 ext. 1501 or email dfrank@menomonie-wi.gov. More information can also be found on the City of Menomonie Facebook page at <https://www.facebook.com/CityofMenomonie/>.
