## Menomonie to Restrict Turf Grass Irrigation in Summer 2023

*“Alternate Side Irrigation Restriction” resolution adopted by the City Council.*

**MENOMONIE, WI** (April 2023) – The Menomonie City Council passed a resolution on April 17 to restrict turf grass irrigation in Summer 2023.

In order to reduce water demand during the summer, which peaks due to turf grass irrigation, the City Council has approved an Alternate Side Irrigation Restriction resolution at its April 17 meeting. The resolution restricts turf grass irrigation (also known as watering or sprinkling) to alternate sides based upon street address between June 1, 2023 and September 1, 2023 and directs City staff to issue written warnings to properties that do not comply.

Properties with even numbered street addresses (i.e. 620 11<sup>th</sup> Avenue West) may only irrigate turf grass areas on even number days (i.e. June 2, June 4, June 6 and so on). Properties with odd numbered street addresses (i.e. 621 11<sup>th</sup> Avenue West) may only irrigate turf grass areas on odd number days (i.e. June 1, June 3, June 5 and so on).

Questions regarding the irrigation restrictions can be directed to David Schofield, Director of Public Works at 715-232-2221 ext. 1020 or [dschofield@menomonie-wi.gov](mailto:dschofield@menomonie-wi.gov).
