

*Each generation
takes the earth as trustees.*

*We ought to bequeath
to posterity as many
forests and orchards
as we have exhausted
and consumed.*

~ J. Sterling Morton

*Menomonie Forestry Friends

- No preference* _____

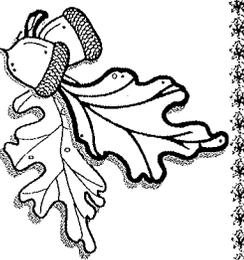

If you would like an acknowledgement card sent, please provide the recipient's name and address:

*There are times
when we would like a special way
to express our feeling.*

Adding to the beauty and comfort of our city parks can be that "special way." Planting trees to enhance parks is a thoughtful and distinctive way to commemorate a deceased relative or friend, to honor a person whom you love or respect, or to say thanks to a person or group. This unique gift of living, growing tree will have a very personal and individual meaning, and at the same time it will be appreciated and enjoyed by all who see and use our city parks.

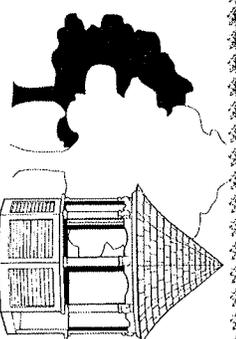

Trees bring natural elements and aesthetics into urban surroundings, all of which increase the quality of life for residents of the community.

*Natural aesthetics
increase our quality of life.*

Give a tree to commemorate:

- Parents
- Grandparents
- Children
- Grandchildren
- Anniversary
- Special friend
- Valued co-worker
- Service organization
- Special occasion
- Beautification project
- Arbor Day
- Earth Day

*Trees are a valued presence
in our community*

Menomonie is the recipient of a "Tree City USA" designation and we value the presence of trees in our community. To ensure species diversity, disease resistance and hardiness, the Menomonie Urban Forestry Board and the Menomonie Parks Department have selected ten tree species for planting in four of our city parks that have the greatest need for additional trees.

Your tax deductible contribution for a selected tree will provide for the purchase, planting, and long term care of that tree.

Please select the city park of your choice from the list provided. Then select a tree preference (first and second choice) from the list provided. If you have no preference for a city park and/or tree species, simply indicate "no preference" in the parks and/or trees species section.
